DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

This communication is in response to the letter dated 8/15/08. As set forth in the Notice of Non Compliant Amendment sent 8/12/08 it was assumed then that this communication was in error. However, procedurally deleting the communication/response would have a negative affect on the basis for the Notice. Such would appear to bring about a question of abandonment for failing to provide a bona fide response to the first OA 2/8/08. As such, the communication of 5/6/08 remains in the application and the time period runs as set forth in the Notice.
